

Dear Chamber Applicant,

Thank you for your interest in the Nigerian Norwegian Chamber of Commerce.

We are delighted that you have chosen to apply to join the Chamber and we look forward to receiving your completed application shortly.

The Nigerian Norwegian Chamber of Commerce is established to provide our members with a “professional, technology enabled, ethical, transparent and auditable business and cultural platform within which global business standards and best practice” guide our member interactions for mutual gain.

To this end, our membership assessment processes lie at the very heart of our commitment to our purpose above, on behalf of our members. Consequently, in addition to your completed Chamber Application Form below, we will require the following documents in support of your Corporate member application:

1. Certificate of Incorporation (Copy) or equivalent (for Norwegian entities)
2. CAC Form 2 (Copy) – Regulatory Filing of Statement of Shareholding or equivalent (for Norwegian entities)
3. CAC Form 7 (Copy) – Regulatory Filing of Registration of Directors or equivalent (for Norwegian entities)
4. Audited Accounts (3 years if available - Copy)
5. Tax Clearance Certificate (for the period of available audited accounts, as above) or equivalent (for Norwegian entities)

For our corporate applicants with less than 3 years of audited accounts, we require one “Reference Statement of Good Standing” for each year that Corporate audited accounts are not available, duly endorsed by qualified Legal, Accounting or Financial Officers. We however request that our Individual applicants provide us with 2 Reference Statements of Good Standing. We also request that no two statements are annotated by the same qualified Officer. A template copy of our Reference Statement of Good Standing is attached below for your use.

Please forward all required documents to us by email at info@nigeria-norway.org.ng or by post to our address detailed below. We will process your application to the Chamber promptly just as soon as we receive the required documents and, subject to approval by the Chamber Board, we hope to congratulate you by invitation to accept our offer of membership of the Chamber at the earliest opportunity.

Once again, thank you for your application; we value your interest in our Chamber and look forward to serving your business interests for commercial advantage. In the meantime, should you require further information, please do not hesitate to contact me directly.

Yours faithfully
